COLLEGE ADMISSIONS COACHING PACKAGE: STARTER

For families who want structure, clarity, and expert tools—with just enough guidance to stay on track.

This package is ideal for students and families who are organized and independent, but want a clear plan, expert resources, and the ability to check in monthly with a trusted coach. You'll gain access to high-impact digital tools that guide your journey—without going it alone.

What's Included:

- One 1:1 coaching session per month
- Personalized access to all core digital tools, including:
 - College Fit Scoring Kit
 - Budget Planner + Timeline Workbook
 - Major + Career Exploration Tools
 - Admissions Glossary & Timeline Guide
- Customized action plans after each meeting
- Light-touch accountability and progress tracking
- Email support for quick questions

Access Level:

- 1 meeting/month
- Tools provided and interpreted by your coach
- As-needed email support (24–48 hour response time)

Results You Can Expect:

- Greater clarity about the college process
- A more confident, organized student
- No missed deadlines and less family stress
- A flexible roadmap you can follow at your own pace
