

COLLEGE ADMISSIONS COACHING PACKAGES: Class of 2029

Early Starter - \$99/mo.

For families who want to build a strong foundation early and move through high school with clarity rather than pressure. This plan is designed for students who are motivated, capable, and benefit from long-term structure without needing constant intervention.

What's Included:

- Intentionally paced coaching sessions designed to support steady progress throughout high school.
- Guidance on course selection, academic trajectory, and early extracurricular choices that support future goals.
- Gradual introduction to college awareness and fit without rushing the process.
- Personalized action steps after each meeting to keep momentum consistent.
- Email access for questions, check-ins, and course corrections between sessions.

Results You Can Expect:

- A student who uses freshman and sophomore years wisely instead of reactively.
- Clear direction around academics and activities well before application season.
- A calm, confident transition into junior- and senior-year admissions work.

One-Time Program Fee (through March of senior year): \$5,495

Early Guided Journey - \$179/mo.

For families who want consistent guidance and reassurance that each year is being used intentionally. This plan supports students who benefit from regular feedback and families who want a clear, long-term strategy from the start.

What's Included:

- More frequent coaching to support intentional academic and extracurricular planning.
- Ongoing guidance to help students begin shaping a cohesive long-term narrative across interests and coursework.
- Early identification of strengths, growth areas, and emerging academic directions.
- Progress monitoring to ensure steady development over multiple years.
- Continued access for questions, adjustments, and strategic decision support.

Results You Can Expect:

- A student who understands why they are making certain choices, not just what to do next.
- Strong alignment between academic decisions and future college goals.
- A well-built foundation that significantly simplifies the application years.

One-Time Program Fee (through March of senior year): \$9,495

Early Ultimate Destination - \$249/mo.

For families who want full strategic oversight and maximum flexibility across all four years of high school. This plan provides concierge-level access while still pacing the process appropriately for a younger student.

What's Included:

- Priority access and flexible scheduling as needs arise.
- Comprehensive long-term planning across academics, activities, leadership development, and future application strategy.
- Early storytelling and positioning support so the student's profile develops with intention over time.
- Proactive guidance as interests evolve or plans shift.
- Ongoing communication to reduce uncertainty and decision fatigue.

Results You Can Expect:

- A smooth, well-managed process that never feels rushed or reactive.
- A student whose profile develops naturally and strategically over several years.
- Maximum flexibility and confidence heading into junior and senior year.

One-Time Program Fee (through March of senior year): \$12,995
