COLLEGE ADMISSIONS COACHING PACKAGE: GUIDED JOURNEY

For families who want a collaborative experience, expert feedback on essays, and personalized guidance every step of the way.

This package supports students who need strategic input, more frequent check-ins, and structured accountability—especially during essay season and application crunch time.

What's Included:

- Two 1:1 coaching sessions per month
- Full digital toolkit access, including:
 - Essay Brainstorming Guide + Rubric System
 - Supplemental Essay Support
 - College Budget & Timeline Workbooks
 - Major + Career Match Toolkit
- Guided application strategy and school list building
- Scholarship planning + targeted search support
- Email + text check-ins for quick feedback and reminders

Access Level:

- 2 meetings/month
- Detailed review of essays and planning materials
- Responsive email/text access during business hours

Results You Can Expect:

- Standout, authentic essays
- A realistic and strategic school list
- Proactive time management and reduced last-minute stress
- A coach who tracks your progress and keeps things moving
